**JOURNAL**

**OFFICE OF LEGISLATIVE COUNSEL**

**Saturday - 30 January 1965**

**(Internal Use Only - JSW) Talked with George Murphy, Joint Committee on Atomic Energy, pursuant to the Director's request to have a look at the Joint Committee transcript of the 28th of January hearing. The Director was interested in that part dealing with the most recent Soviet underground test. Murphy stated the transcript had not been started yet but would make an excerpt. This information was furnished to Mr. Elder.**
